One thousand circulars were distributed at the various churches last Sunday on purpose to give the people an idea of our plan of work. If our friends having these circulars still in possession would kindly fill out the blanks and hand them to the visitors on December 6th they will greatly assist in this good work.

A grand rally and conference of the workers and those whose names are above will take place on Monday evening, Dec. 3rd, in the Baptist church, when speeches will be made by the pastors of the churches and others. All visitors and workers are urgently requested to be present to receive diagrams of districts, cards, and final instructions. W. S. STONE, Chairman of Com. —FURS—

We sell the best furs that are made—no inferior, patched up stuffs.

IN THE ORDINARY
heating stove most of the heat passes direct into the chimney without spreading its warmth. We overcome this waste in the

Tremont Hot Blast
by converting the smoke, soot and gases into heat. Producing the greatest results for the fuel consumed.

THE TREMONT HOT BLAST
will burn the poorest quality of slack or coal dust with the same successful results that it does the best quality of fuel.

The fire is at all times under perfect control, and can be increased or lessened to meet the requirements of the user. No trouble to keep a continuous fire throughout the winter.

If you want a stove that is unequalled for economy and good service buy the **TREMONT.**
